

Social Concerns Committee:

May 13, 2015 at St Andrews

Meeting highlights:

Made plans to collect specific items that are always in need (towels twin bed sheets, paper towels, coffee) for the homeless shelter. This will be done at St Andrews on a single Sunday this summer. We discussed a developing pledge sheet of specific tasks that members can volunteer do in the community. We will continue to meet this summer. Mike Madson will serve on the board of Good Neighbor.

A new chair is needed for the committee beginning May 29th.
