

St. Andrew's General Church Cancellation Policy (December 2014)

1. Members, staff and visitors are encouraged to use their own judgment concerning travel to a church activity when weather conditions have deteriorated to a point that safe travel is in question regardless if the activity has been cancelled.
2. The Pastor and the Congregational President will review weather conditions carefully before a cancellation of church activities is made. The congregation will be notified as quickly as possible through website, e-mail, television, KASI radio, Facebook and the church phone message. Every attempt will be made to post/notify of the cancellation by 7:30 am on Sunday mornings.
3. If the Ames School District cancels activities due to weather conditions, St. Andrew's church-wide activities will be cancelled.
4. Individual committee chairs or staff must verify that the parking lot and sidewalks are cleared and the building will be open before contacting their members to hold a meeting or activity when St. Andrew's has cancelled church-wide activities.
5. If non-weather related concerns require the cancellation of church activities, as decided by the Pastor and Congregation President or their alternates, the methods of notification will be the same as stated in item 3.

If additional information is needed, please contact the church office at office@standrewsames.org or call 515-292-2131.
