I am not available as follows:

Education Committee - This committee is responsible for the Christian education of all children in preschool through fifth grade.

Youth Committee - Responsible for the promotion, organization, and supervision of the youth ministry/youth program of the congregation. This committee plans youth events and sets the vision and purpose for youth at St. Andrew's Lutheran church.

Fellowship Committee - The committee creates, coordinates and assists in strengthening fellowship among members and visitors. Responsible for the kitchen, fellowship time and meals.

Outreach Committee - We're the Welcoming Committee. We invite and inform through advertising (postcards, newspaper, website), and personal interaction (greeters, Welcome Table). We "in-reach" to members through meals, visits, prayer list cards, remembrance gifts and devotional materials.

Property Committee - Provides assistance to SALC and its 'Properties' relative to maintenance, structural functionality, and improvements, including landscaping and ground keeping.

Social Concerns Committee - This committee strives to show people the love of Christ through the promotion of social responsibility within the Christian faith of the congregation. We educate the congregation regarding needed action on social problems at the local, state, national, and international levels.

Stewardship & Finance - Committee activities include monitoring financial activities, providing financial updates, gathering time and talent information, and helping with the development of annual budgets.

Worship & Arts Committee - This committee works closely with the Pastor, music staff and many volunteers to keep our weekly worship experience meaningful and smooth. Volunteers usher, prepare communion, serve communion, read scripture, assist the pastor, operate the sound system and change the worship environment to reflect the seasons of the church year.

Pine Ridge Ministry Team - In cooperation with various agencies and individuals on the Pine Ridge Reservation, we work in areas of housing, education, health care, and economic development. We seek out ways to be in relationship with people on the Pine Ridge Reservation and at home, exchange culture, and serve faithfully.

Tanzanian Ministry Team - Along with our partners in Tanzania, the Hedaru Lutheran Parish, we work together to share our culture, our faith, and a long-standing friendship. We have learned that together, we can do amazing things to improve the lives of the people in Hedaru.

Extended Ministry Fund (EMF) Committee - Established to collect and administer gifts (memorial and otherwise) to St. Andrew's that will help carry out the mission of this congregation by accomplishing projects that are not included within the budget. EMF also has oversight responsibilities for the St. Andrew's Endowment Fund.

Edwards School Backpack Program - Picks up food from the Food Bank of Iowa, fills the backpacks at 9 am Thursday mornings Sept.-May for distribution to children identified as "in need" of nutritional supplements over the weekend.
