### **Agenda and Discussion**

How long SALC would be closed? Through April – no in person services, or activities in the church groups. This affects Easter. Send update to congregation in periodically. Following CDC and SE Iowa Synod guidelines.

Office will be open for operational needs only. Social and Pastoral needs to be addressed. Phone trees (Shepherd Groups) will be put in place, pastor will be available as needed, mostly like through technology (not in person). Will send out a letter through USPS to all members, email, phone calls, website. Easter breakfast will be rescheduled to June Easter activities. Include how members will continue to make offerings. Will put closure announcement on the door with whom to contact.

Laurie will send out new email with notes and attachments that Janeen sent out. Get clear instructions from Blythe/Kaitlyn on how to access Sunday/Wednesday services.

Staff (music/janitorial) will be doing 'different' work and will continue to get paid.

Rental properties – Linda talked to David Tapper and everything is in a good state. Current with all major bills, line of credit is good.

Motion: SALC will offer on-line worship, and the facility will be closed through April. Periodic review will take place by the Council based on guidance from the CDC, SE Synod and other local authorities. Seconded. Motion passed.

Hope/VBS is on the back burner.

No update on ChildServe.

Dave will do some work for Adult forum.

The \$100,00 goal for the Boiler Campaign has surpassed.

Council will meet again on zoom on Monday, March 23.

Meeting adjourned 7:55.
